

# TERRY MELLOR MEMORIAL SCHOLARSHIP

*Sponsored By:*

Turface Athletics™ is proud to announce the

## 2009 TERRY MELLOR MEMORIAL SCHOLARSHIP AWARD

This award serves as a remembrance of Terry Mellor, brother of long time professional groundskeeper David R. Mellor. David is currently Director of Grounds with the Boston Red Sox. This scholarship is in keeping with the commitment to professional development through continuing education, a philosophy shared by David and Turface Athletics®.

Anyone in the sports turf industry is eligible to apply for the scholarship award. Registration will occur each time a member attends a local Sports Turf Managers Association (STMA) chapter meeting in 2009 and signs a Turface Athletics® meeting roster sheet. Multiple entries are accepted.

The scholarship was designed to foster professional development in the sports turf industry. The \$1,000 award funds may be used to finance any turf or groundskeeping related educational opportunity. This could include attendance at local colleges, short courses and/or registration, membership and expenses to attend the National STMA Conference.

The winner will be determined by a blind drawing held December 1, 2009

For additional information, contact Heather Rohde at Turface Athletics®
